**This Week**

- ★ This week in Writing, we have been learning how to use powerful verbs to make our writing more exciting and engaging for the reader. We also used our knowledge of prepositions to write prepositional phrases about the eruption of Mount Vesuvius.
- ★ In Maths, we have continued using the column method to add 3-digit numbers, regrouping where needed and developing our understanding of why this method works.
- ★ In RE, we have learned about the Jewish festival of Hanukkah and why it is celebrated. We explored the story of the Maccabees and discovered how, by a miracle, one small bottle of oil kept the menorah burning for eight days instead of just one.

**We are looking for volunteers who would like to support our young readers across the school. If you can offer a couple of hours each week, we would love to welcome you as a *Reading Volunteer*. Your role would involve listening to children read, encouraging their love of books, and helping build their confidence as developing readers. No experience is necessary—just a passion for supporting children and a willingness to give your time. If you are interested or would like more information, please let us know. Your support can make a wonderful difference!**
