Dear Parents/Carers,

Below are the details of your child's Stay and Play session. You will enter through the Infant School Entrance, come into our school hall and sign in. There will be some activities out for your child to enjoy before one of our staff members takes you and your child into one of our classrooms to play and explore. The classroom they go to does not necessarily mean they will be in that class in September.

We will also be sending out an online link after half term to complete relevant forms. These must be completed before our Transition Day on the 1st July 2026.

We are looking forward to seeing you then!

Date: Wednesday 17th June 2026
Time: 9:30-10:30 am

Kind Regards,

Miss N Pinniger — Head of School
Miss R Kenchington — Year R Leader
