Year 4 Communication Note

Friday 21st November 2025	Topic: Autumn 2 – Into Narnia

This Week

- ★ In English this week, we have finally completed our new and improved chapter of The Lion, the Witch and the Wardrobe. The children have worked incredibly hard to include a wide range of ambitious vocabulary from the text, alongside all of the fantastic writing skills we have been developing. Their imagination has truly shone through in every paragraph.

- ★ In Maths, we have been calculating perimeter. The children explored this concept in real-life contexts by investigating different animal enclosures, before applying their understanding to 2D shapes drawn on the classroom windows. They showed brilliant reasoning and teamwork throughout the task.

- ★ This week in DT, we continued our unit on designing mittens for Lucy Pevensie. The children practised both running stitch and over stitch, evaluating which would be the most effective for their final product. We were really impressed with their focus, effort and growing confidence in their sewing skills.

Home Learning

Topic home learning:

Your homework for Autumn 2 is to design your own mythical world which can be found through your very own wardrobe. This homework could be completed as:

- ★ A map of your world
- ★ A piece of artwork
- ★ A presentation explaining the different places
- ★ A setting description

This homework is due in by **Friday 12th December 2025.**

Weekly Home learning:

Please continue to read your books in your bookbag. We ask you to read to an adult at home at least 3 times a week - you will have a 'learn to read book' in your book bag to do this with. You can also share stories with an adult using a book of your choice from the library and this will be your 'love to read book'. Your child should be bringing their spelling book/phonic book home regularly every week in order for them to practise their spellings.
